

MEMORANDUM FOR: *file DCI* The Director *PW/*

If we debate whether a videotape briefing of NIE 11-3/8 be done, then prepare and argue about a script, and make a big production of the whole thing, the estimate would be old hat before the tape would be completed. I recommend instead that we simply have Howie Stoertz give a briefing on the NIE and have it taped. With this in hand we could make the judgment whether the idea is worth pursuing.
